Introduction

The Coffs Harbour and District Eisteddfod Society has been encouraging and nurturing young performers across various genres for over 46 years. In addition to providing the Annual Eisteddfod, Gala Concerts and workshops for students to showcase their abilities, the Society provides opportunities for talented performers to extend their training and experience via scholarships to summer schools and workshops with world renowned teachers.

As a *Not for Profit* organization run by volunteers, all funds raised go back into the running of the Annual Eisteddfod. As such, we would invite you to become a supporter of the Society as a sponsor, advertiser or member and assist us in continuing this tradition.

The annual eisteddfod is the longest continual running and only diverse cultural event in this region. Each year it attracts over 2000 competitors and their families to the Coffs Coast. There are five genres in the Eisteddfod – Dance, Piano, Vocal, Instrumental, and Speech & Drama – with specific Schools Group sections within some of these as well.

We understand the importance of providing recognition to our sponsors, members, volunteers and supporters and adding value in return for their investment. Whilst any donation is greatly appreciated, the Society has introduced a structured approach designed to provide a return in line with the level of support offered. There are seven levels of *sponsorship*, three program *advertising only* options, and two types of *membership*. Please refer to the details of each in the following pages.

In 2018, we have Piano, Vocal, Speech, Drama with individual and schools sections, while instrumental has individual, duets, trios and small groups sections.

If you would like to support and encourage our youth, please contact anyone on the section listing or : info@coffseisteddfod.org.au. As soon as your support commitment is finalized, we are to begin promoting your business immediately via our webpage and social media.

To ensure programs and other sponsor requirements are met, we aim to have all support needs finalized by 31 March 2018.

We would like to thank you for considering our request and look forward to hearing from you.

Kind regards

2018 Coffs Harbour & District Eisteddfod
