

## CHDES Child Safe Policy

This Policy is called Coffs Harbour & District Eisteddfods Child Safe Policy.

Our Policy guides Staff, volunteers and students on how to behave with children in our organization. The policy focuses on how we can promote students participation in our organization and make it safer for them.

- CHDES supports the active participation of children in our organization. We listen to students views, respect what they say
- We promote respect, fairness and consideration for all our staff, volunteers and students.
- CHDES will conduct correct child safety screening processes (including on line verification of WWC registrations) of adjudicators, volunteers, service providers to ensure compliance.
- Any complaints or concerns from students, volunteers etc will be directed to our Executive Committee for investigation.
- This policy is available to all members
- This policy will be reviewed every 2 years immediately after Annual AGM (Next due September 2022)
