## Introduction

The Coffs Harbour and District Eisteddfod Society has been encouraging and nurturing young performers across various genres for over 50 years. In addition to providing the Annual Eisteddfod, Gala and Excellence Concerts, workshops for students to showcase their abilities, the Society provides opportunities for talented performers to extend their training and experience via scholarships to summer schools and workshops with world renowned teachers.

As a **Not for Profit** organisation run by volunteers, all funds raised go back into the running of the Annual Eisteddfod. As such, we would invite you to become a supporter of the Society as a sponsor, advertiser or member and assist us in continuing this tradition.

The annual eisteddfod is the longest continual running and only diverse cultural event in this region. Each year it attracts over 3000 competitors and their families to the Coffs Coast. There are five genres in the Eisteddfod – Dance, Piano, Vocal, Instrumental, and Speech & Drama – with specific Schools Group sections within some of these as well.

We understand the importance of providing recognition to our sponsors, members, volunteers, and supporters and adding value in return for their investment. Whilst any donation is greatly appreciated, the Society has introduced a structured approach designed to provide a return in line with the level of support offered. There are seven levels of sponsorship, three program advertising only options, and two types of membership. Please refer to the details of each in the following pages.

In 2022, the Dance genre will begin on the June Long Weekend and run for 9 days over on the Coffs Coast.

Dates and venues as follow:

- 10 June 2022 - Schools Day
- 11-13 June 2022 - Groups Weekend – Coffs Harbour Education Campus
- 17-25 June 2022 - Solos - Jetty Memorial Theatre Coffs Harbour

If you would like to support and encourage our youth, please contact the Dance Committee at [dance@coffseisteddfod.org.au](mailto:dance@coffseisteddfod.org.au), or phone our coordinator. As soon as your support commitment is finalised, Dance can begin promoting your business immediately via our webpage and social media.

To ensure programs and other sponsor requirements are met, we aim to have all support needs finalised by 31 March 2022.

We would like to thank you for considering our request and look forward to hearing from you.

***Kind regards,***

***2022 Dance Committee***
